SELECTMEN'S REPORT

Each new year appears to bring an increase in each town official's responsibilities. These common duties require greater personal judgment and discretion on the part of each of these officials. A sense of interest to individuals' obligation are a prime requirement. With the foregoing in mind the following items of interest are submitted.

The continued updating of our Tax Map by Allen Plumb of Marlow, has been of immense help in assessing local property. We have even located pieces of property which appeared to be non-existent and are now being taxed properly.

The use of "Auto Dump Stickers" has been of great help in restricting the use of the Stoddard Dump to Stoddard residents and property owners.

During the month of February, the Selectmen met with the Stoddard Historical Society at the Town Fire Station. Chairman Robert Rumrill presented the Revolutionary Bicentennial Flag and the Bicentennial Certificate to the Society for display in the Stoddard Historical Building.

During the month of April, the Selectmen met with the Selectmen of the Town of Washington and discussed a mutual problem concerning the use of the Washington Town Dump by Stoddard Property owners. Washington agreed to permit the Stoddard property owners to get into the Town of Washington. Inasmuch as about one hundred Stoddard property owners are using the Washington Dump, the Selectmen of Stoddard agreed to pay Washington an annual sum of \$300.00 to accomodate our taxpayers.

The Selectmen appointed a committee under the chairmanship of Joseph Patnode to report as to the feasibility of renovating the Old Fire House to be used as a business center.

William J. Anderson of the Stoddard press has agreed to process and print this years town report and other necessary forms relating to town offices.

In our attempt to keep Stoddards' tax rate as the sixth lowest of two hundred and thirty four towns and cities, we have devoted the following in time and effort to this project.

Town Hall Meetings	55 times	246 hours
Property Assessments	25 "	108 "
Visits with other towns	11 "	49 "
Miscellaneous hours		<u>102 "</u>
Total	<u>91 times</u>	<u>505 hours</u>

Activity of this type is vital to the well-being of Stoddard and we trust that your Selectmen will receive your continued support in order to continue this function.

Respectfully submitted

Robert C. Rumrill

Earle F. Wesson

Emile J. Vaillancourt

Selectmen/ Stoddard

MARLOW AMBULANCE AND RESCUE SQUAD

Annual Report to the Residents of Marlow Gilsum and Stoddard

The Marlow Ambulance and Rescue Squad had a very busy and productive year in 1977. There were 30 more calls than in 1976. We purchased a 1971 Cadillac ambulance in July to replace our 1964 ambulance at no cost to the taxpayers of Marlow. The Cost was \$5000. There was a benefit auction in Stoddard during August to help defray the cost of the replacement ambulance. Many thanks to the people of Marlow, Stoddard and Gilsum who helped make the auction a huge success.

A new telephone-type radio was installed in the patient compartment to provide a direct link between the examining attendant and the hospital

Two emergency, reflective jackets were purchased to help identify attendants on a call.

Emergency Medical Technician training was funded for an attendant. Two new licensed attendants joined, bringing our total to 7.

On four separate occasions, Keene assisted us twice, and Antrim assisted us twice on calls.

We look forward to continued support and thank those who helped us in 1977.

REPORT OF LIBRARY TRUSTEES

Regular library hours for 1977 were held Thursday mornings from 9:30 - 11:30 A.M. and Thursday evenings from 7:00 - 9:00 P.M.

There were 565 volumes added to the library collection this year. These additions brought the total collections to over 4000 volumes for the first time.

We would like to thank all those people who made donations to the library this year, including the Mrs. Michael Hayes, Mrs. Pheroba Wilson, Mrs. Benjamin Bodell, Mrs. Joseph Patnode, Mrs. Gertrude Thomas, Mrs. James Fogg, Miss Judy Hope, Miss Ruth Cutter, Mr. Chester Buillow, Mrs. Helen Hahn, Mrs. Emile Vaillancourt, Mrs. Susan Bach, Mrs. Mary Conklin, Mrs. Eunice Fiske, Mr. Balcomb Godspeed, Mr. J. A. Vitale and Mrs. Myrna Kimball.

The trustees again attended the annual booksale in Sullivan. Proceeds were used to purchase books.

We would like to see more interest in the library by the town residents this year. Please visit us.

CIVIL DEFENSE REPORT

The normal mission of the local Civil Defense Organization is to save lives and prevent injury to residents of Stoddard. In order to implement this task, if necessary, we have started to prepare by organizing various groups as indicated below:

Transportation	Dorothy Weaver
Police	Charles Eaton
Communications	Paul Reck
Assis. Civil Def. Director	Rolph Jacobs
Selectman	Robert Rumrill
Selectman	Emile Vaillancourt
Fire Department	Wallace R. Weaver
First Aid	Rick Canfield
Engineering Service	Don Curry
Civil Def. Director	Earle F. Wesson

The following individuals are qualified to render first aid as show below:

Rick Canfield	EMT-A
Daniel Eaton	EMT-A
Rick Weaver	EMT-A
Don Fleming	R.C.First Aid & N.H.H.A. C.P.R.
Henry Bingham	R. C. First Aid & N.H.H.A. C.P.R.

In the event of a nuclear attack on the United States there would be many survivors. In order to aid and enhance our continued survival, the Civil Defense Agency must have a system for implementing protective measures. With the foregoing in mind Radiological Monitoring classes were held at the Stoddard Fire Station on 23 June, 30 June and 7 July 1977 under the direction of Dave Heyden of the State Civil Defense Organization. The following passed examinations and qualified as Radiological Monitors:

Doris Tuttle
Dean Huber
Charles Eaton
John Lightbody, Jr.
Jeanne Bini
Herbert Nichols
Earle Wesson

HISTORICAL SOCIETY

The Bicentennial celebration of 1976 came to an official end when the Selectmen presented the ARBC Flag to the Historical Society. Since it can no longer be flown from the flagstaff, it will be placed on display in the Society's Building.

After a few unforeseen problems were resolved, the time capsule was actually and truly sealed in the new fire house! This later date was necessary as we all waited for temperatures to moderate to enable a proper set for the mortar. We might suspect that folks in 2076 will face the same problems with capricious weather.

Old Home Days began with modest plans but was soon expanded to a three day celebration. It was another successful commemoration of our founding. Plans are already in the making for next year's observance.

The Mormon Church in Keene has helped us preserve our town's contribution to recorded history with the microfilming of Stoddard's town records, books two through four.

One of our members, Ralph Newell, reported on his experiences as a participant in August at the Charlestown Fort #4 Encampment commemorating the 200th Anniversary of the Battle of Bennington. Over 1300 people were present representing over one hundred towns that had sent men to battle.

Among those who visit our Society's Building have been Professor Richard Scaramelli and students of his from Keene State College. While many people seek to satisfy a general curiosity of our past, this group from Keene has had some definite goals in mind. At the meeting in November, Professor Scaramelli presented a program entitled, "Cellar Holes Along the Monadnock-Sunapee Trail." The Talk focused on his and

various students' work researching the history related to the Trail's Location in Stoddard.

Another reminder that these meetings are open to everyone. Although we are sure you will want to join us, it isn't mandatory. Our programs are varied and will pique your interest in the past and keep you coming back. Our meetings are held the third Monday of February, May, August and November.

POLICE DEPARTMENT REPORT

In the Town of Stoddard in 1977, we had over 200 calls that required police action. Nearly all categories of crime are on the increase, and in Stoddard, they were familiar categories --- Motor vehicle accidents and burglary. Many of our cases were solved through the alertness of our citizens in reporting unusual or suspicious circumstances.

In addition, we had several instances wherein local CB'ers have heard and relayed problems to us. This is good. We need a partnership between citizens and police.

Stoddard's Civil Defense held a Radiological Defense School this past year which I attended. The Police Department was allocated a complete radiological defense detection set which will be available for any emergency.

Crime is everyone's business, and we look forward to even greater cooperation this year.

The following is a record of the Police calls by category during 1977:

Motor Vehicle Accidents	15
Juvenile Cases	3
Indecent Exposure	1
Suspicious Vehicles or Persons	13
Trespass	7
Wanted Persons	5
Receiving Stolen Property	1
Stolen Vehicles	2

THE STODDARD FIRE DEPARTMENT

We wish to thank both residents and non-residents for their support in the past year. We also wish to thank the Ladies Auxiliary for their help in our many projects such as our very successful Chicken Barbeque.

A special thanks to all who supported the auction for the Marlow Ambulance, which with help of area towns has purchased a newer model ambulance. With the assistance of the ambulance, which is free to you as residents of Stoddard, the Stoddard Rescue Squad made five runs.

We recently acquired an Army surplus 2½ ton cargo truck which will be converted into a 1500 gallon tanker in the next year. This will replace the one that we have now.

The fire department made fifteen runs this past year which were as follows: four covers, three dump fires, two brush fires, three smoke investigations, two automatic responses to area towns, and one gas wash.

Just to remind everyone that the fire station is open every Sunday for anyone to come in and look at the equipment. We also clean chimneys and pump out wells and cellars at anytime for no charge.

Respectfully submitted

STODDARD SCHOOL REPORTS

STATE OF NEW HAMPSHIRE

STODDARD SCHOOL DISTRICT
SCHOOL WARRANT

To the Inhabitants of the School District of
Stoddard qualified to vote in District affairs.

You are hereby notified to meet at the Town Hall
in said District on the sixteenth day of March 1978
at seven thirty o'clock in the evening to act upon
the following subjects:

1. To choose by non-partisan ballot the
following school district officials.
 - a. Moderator for the ensuing year.
 - b. Clerk for the ensuing year.
 - c. Treasurer for the ensuing year.
 - d. A member of the school Board for the
ensuing three years.
 - e. Auditor for the ensuing year.
2. To determine and appoint the salaries of the
School Board and fix compensation for any
other officers or agents of the district.
3. To hear the reports of Agents, Auditors, and
Committees or Officers chosen and pass any vote
relating thereto.
4. To choose agents and committees in relation
to any subject embraced in this warrant.
5. To see what sum of money the District will
vote to raise and appropriate for the support of
schools, for the payment of salaries for school dis-
trict officials and agents and for the payment of
statuary obligations of the district.
6. To see if the district will vote to raise and
appropriate the sum of \$200.00 as a contingency fund
or take any other action relative thereto.

7. To see if the district will vote to authorize the School Board to make application for and to accept on behalf of the district any and all grants or other funds for educational purposes which may now or hereafter be forthcoming from the US Government or from the State of New Hampshire for the school year 1978-79 and to appropriate any funds received from said grants to the payment of obligations of the District for which said funds constitute reimbursement, or take any other action in relation thereto.

8. To adopt the provisions of RSA 31:105, and thereby indemnify and save harmless district employees or agents for claims arising out of their employment with the District.

9. School Lunch - to see if the District will vote to establish a school lunch program as legislated under RSA:11a and to raise and appropriate the sum of \$3000.00 to defray the costs of implementing, equipping, and operating the program for the 1978-79 school year.

10. To see if the district will vote to raise and appropriate the sum of five thousand dollars to be added to the previously established Capital Reserve Fund for building purposes.

11. To see if the district would vote to activate a school facility building study committee which would give a formal report with recommendations at the 1979 School District Meeting.

12. To see what sum of money the District will vote to raise and appropriate for repair of the school house roof, or any other action in relation thereto.

13. To transact any other business that may legally come before said meeting .

Given under our hands at said Stoddard this 23rd
day of February 1978.

STODDARD PTA

Our membership this year has been very good. We have 20 Members, of which are active members. A lot of parents are participating this year. Many new and good ideas have been presented.

Programs this year have included a talk with Mr. Allen from Cheshire County YMCA about programs for Stoddard children including summer recreation; a very successful Cake Sale at which maps were distributed, that were made by the school children and indicate where each child, grades 1-6, lives. PTA has sponsored basketball at the Town Hall for all boys ages 10-18, coached by Bill Anderson and assisted by Mike Hayes, Sr. A PTA Scrapbook has been started which will be displayed at Cheshire Fair. A Baby-sitting service has been organized. This service is available for anyone who is in need of a baby sitter. Names and Telephone numbers of boys and girls interested in sitting are available through the PTA.

PTA also sponsored the Christmas Party for all children in SToddard, through grade 6. Two gifts, one an article of clothing, the other a toy, were presented each child. Candy was also distributed to each child.

Mr. Dudley Laughlin was hired to play his fiddle and demonstrate and teach contra dancing to the school children

A Monthly Program Committee has been set up. This includes mothers taking turns each month to carry out various duties discussed and help out wherever needed.

"Campbell Soup Labels" for the program "Labels for Education" are being collected. Boxes for these labels are available at different locations in town. These labels will be used next year for a needed piece of equipment for the school.

An ice skating party and bonfire were held during Christmas vacation at Island Pond for anyone interested.

Early in April, the Stoddard school children will appear on the "Uncle Gus Show" on Channel 9 in Manchester. In February, a Penny Social was held.

Our biggest event was starting the "Stoddard Gazette", which is a town newspaper sponsored by the Stoddard PTA. It will be published every 6 weeks until summer, when it will appear monthly.

For future meetings, we will be having a speaker and film on DWI; a Pot luck supper called "Dime-A-Dip" at which time we will honor Lifetime Memberships of PTA. Plans are in the making to have a speaker on the energy program and a lawyer to speak with us on wills.

Hopefull, we will keep increasing our membership. Our main goal is to have interesting programs and speakers which everyone will enjoy. We would like to welcome anyone interested in joining. You do not have to be a parent to join. We need YOU AND YOUR SUPPORT!!!!!!!

NURSE'S REPORT

Good health is essential for everyone and a necessity for the student if he or she is to participate in a healthy and productive life. Student health appraisal is done annually by weighing, measuring, vision and auditory screening. Each student's height and weight is recorded on an individual height-weight grid which can present a rapid scan of the pupils' growth pattern and nutritional assessment. The student's cumulative health record contains a record of every screening test done.

For the second year all first grade entrants completed the pre-registration immunization requirements. Pre-registration medical forms are given to each entrant in June for completion by September.

Health education curricula covered the areas of growth and development, nutrition, safety, drugs, tobacco, alcohol, and dental care. Hopefully, these programs made a positive contribution toward the improvement in developing attitudes and behavior which will provide sound personal health in our students.

Gail Johnson R. N.

Learning Contra-Dancing!

REPORT OF STODDARD SCHOOL

Since many townspeople in Stoddard do not often have an opportunity to visit the school during school hours, it was suggested that we begin a tradition of a school report to let you know what is happening at Stoddard. So, here it is!

Stoddard School is a one-room school, housing 29 students in grades 1-6. It has one teacher and one full-time, paraprofessional aide, Mrs. Lucy Hill, to instruct the children in approximately 48 subjects daily, or an average of 8 subject per grade. This instruction has a strong basics approach, and includes the following materials: Reading (a text, workbook, and writing pad); Spelling (based on a child's reading ability and group); Phonics (a workbook and game set); English (a text and/or workbook, depending on grade level); Social Studies (a text, workbook, and Map Skills workbook); Science (a text and some laboratory materials); and Health (a text which demands written questions, student diagrams, discussion, and personal observation). These subjects are enhanced by a Measure Metrics program for grades 1-6 (available on educational television), a word attack program (also on Ed. TV), Metrics booklets and experiments, and booklets that teach students in grades 3-6 how to read graphs and tables.

People that have helped make this year a successful one are Dale Pyer (our music teacher who teaches songs, rhythms, dance, music theory, and recorders), Leigh Fosberry (who has been teaching as a gym volunteer every Friday this winter and as a classroom volunteer two hours every Thursday), Mary Conklin (our volunteer gym teacher every fall), the P.T.A. (who have sponsored many programs for us, including the special musical one with Dudley Laufman in Jan.), Dawn Matthews (photographer at the Laufman presentation), and the many parents and other folks who have volunteered to drive or chaperone us. School nurse Gail Johnson has also presented many worthwhile programs throughout the year.

If you feel you would like to try out as a school volunteer, or would just like to see us "in action", please give us a cal at 446-3348. Hope to see you in Stoddard School!

Respectfully submitted,
Amanda Bradford/Teacher.

SUPERINTENDENT'S ANNUAL MESSAGE
To the Citizens of the Stoddard
School District

This year the Superintendent and the Board established goals for both the Superintendent's office and the board to accomplish over the school year. The Superintendent's office has already taken steps to adjust its administrative procedures and capabilities to best facilitate the accomplishment of these goals and is planning to report its record of successes and failures in next year's message. It is expected that goal-setting will be a regular part of the Superintendent's annual plan in the years to come as will an annual report on the goals set.

This years goals are as follows:

Superintendent's Office

1. TOP PRIORITY GOALS

1. To ensure that all district's administrative priority goals are worked toward in a consistent and effective manner.
2. To ensure that a system of Principal evaluation is developed and implemented.
3. To develop an operational administrative manual and to see that its provisions are carried out.
4. To develop and implement an effective needs assessment for each district and the Union.
5. To develop and implement standardized budgetary procedures and present each Board with a Superintendent budget proposal.
6. To ensure that each Board and all administrators receive complete up-to-date and accurate financial reconciliations.
7. To investigate and report to the Boards on the feasibility of programmed budgeting procedures.
8. To provide each Board with complete agendas, including necessary supportative information.

9. To develop job descriptions for all Su #24 Office staff and to work toward the development of written procedures for all major staff tasks.
10. To ensure that a useable and complete filing system is developed in the SU #24 office.
11. To promote a SU #24 effort at adult education and greater Community-School involvement.
12. To ensure that an increased effort is made at effective Public Relations.
13. To encourage cooperative projects between districts and cooperative communication.

STODDARD SCHOOL

1.TOP PRIORITY GOALS

1. To initiate those steps necessary for Stoddard's successful acceptance into Supervisory Union #29.
2. To develop and implement a new physical education curriculum.
3. Provide more supervision of staff; differentiating between superior - acceptable and unacceptable performance and providing staff development activities based on taught needs and school board goals.

The Superintendent's Office is currently making a major effort to get the community more involved and interested in school affairs. Two major aspects of this effort are a greater degree of reporting of school activities in local newspapers and the establishment of a Community Education Program. Procurement of CETA funds by the Superintendent's office has helped greatly in regard of both of these. Another part of this effort is a Needs Assessment Program, which is providing every citizen an opportunity to voice his or her opinion on what Stoddard needs in regard to educational programs and facilities.

One Thing the Superintendent would like every citizen to be aware of is the increasing need for more educational space. Stoddard is growing and with it, its population of school-age children. People should expect, therefore, that in the not-to-distant-future, they may be asked to consider alternative means of providing more educational space.
